### **BACKGROUND INFORMATION**

Barón de Ley was founded in 1985 by a small group of Rioja wine professionals who wanted to develop a purely "vineyard driven" winery, oriented to the production of high quality wines from their own vineyards. They also wanted to develop and implement a new style of "modern" Rioja wines; wines of deeper colour, structure and concentration, in line with what today's most discerning consumers are looking for.

#### **TASTING NOTE**

Red ruby colour, with an aromatic intensity in the nose. After sometime in the glass these aromas evolve towards seductive traces of infusions, spices and tobacco. The mouth is very soft, with silky tannins, and a lively fresh finish
