### BACKGROUND INFORMATION

The rivers of Australia help to irrigate the vineyards. Although water is important; the drier the river the better the concentration of flavours in our wines. We are working in close partnership with a family owned winery, which pride themselves on producing consistent and good quality wines. After harvest our wine buyer travelled to Australia to specially select these wines for this range.

### TASTING NOTE

Light straw in colour, Dry River Chardonnay displays an enticing nose of peach, citrus and lemon aromas. The tropical fruit flavours and luscious mouth feel mid-palate complement each other to deliver a deliciously rounded wine with a crisp and clean finish, balanced nicely by acidity.
