BACKGROUND INFORMATION

Barón de Ley was founded in 1985 by a small group of Rioja wine professionals who wanted to develop a purely "vineyard driven" winery, oriented to the production of high quality wines from their own vineyards. They also wanted to develop and implement a new style of "modern" Rioja wines; wines of deeper colour, structure and concentration, in line with what today's most discerning consumers are looking for.

TASTING NOTE

This red wine has a beautiful deep red colour with bright purple hues. It has a big rich perfumed seductive nose, offering rich aromas of black ripe fruits, liquorice and traces of roasted coffee and cream with spicy herbaceous tones. It displays black cherry fruit, warm spice and sweet oak on the palate with delicate toasted traces.

Roast lamb and other red meats

OAK TREATMENT

100% of the wine was aged for 18 months in new French oak barrels and then for a further 6 months in 10.000 litre french oak "foudres", ideal to enhance the fruit characteristics of the wine.
