BACKGROUND INFORMATION

The rivers of Australia help to irrigate the vineyards. Although water is important; the drier the river the better the concentration of flavours in our wines. We are working in close partnership with a family owned winery, which pride themselves on producing consistent and good quality wines. After harvest our wine buyer travelled to Australia to specially select these wines for this range.

TASTING NOTE

A deep and inky red in colour, Dry River Shiraz displays a nose of smoky rich fruits with a touch of mint. Smooth and rich on the palate with spicy flavours of luscious dark berry fruits, the balanced tannins help to deliver a tremendously concentrated finish.
