### BACKGROUND INFORMATION

The rivers of Australia help to irrigate the vineyards. Although water is important; the drier the river the better the concentration of flavours in our wines. We are working in close partnership with a family owned winery, which pride themselves on producing consistent and good quality wines. After harvest our wine buyer travelled to Australia to specially select these wines for this range.

### TASTING NOTE

A deep and inky red in colour, Dry River Shiraz displays a nose of smoky rich fruits with a touch of mint. Smooth and rich on the palate with spicy flavours of luscious dark berry fruits, the balanced tannins help to deliver a tremendously concentrated finish.
