BACKGROUND INFORMATION

StoneyVale is the block out the back of a vineyard where a creek used to grow. The 'old timers' reckon that some of the best grapes come from here as the vines have to struggle just a little bit more. It's also where the vineyard workers take their breaks under the shade of a tall gum tree and in the heat of the day there is not much movement except the odd lizard scuttling across the rocks. We call this wine StoneyVale in recognition of this special place - in the sun drenched land we love!
