### BACKGROUND INFORMATION

In 1554, whilst struggling to remain heir to the Spanish throne, Philip II of Spain married Queen Mary I of England. In order to give him equal rank with the Queen, he was renamed Tierra del Rey, 'King of Chile' by his father and thus became Chile's only King. The Central Valley is set in between the majestic Andes Mountains and the mighty Pacific Ocean, making it an ideal location for growing grapes. The mountains protect the wine region by creating dry, hot climatic conditions and the cold ocean breezes keep the vines cool. This combination produces full flavoured wines whilst maintaining that all important acidity essential to make perfectly balanced wines.

### TASTING NOTE

Deep purple in colour, this Cabernet Sauvignon combines aromas of ripe cherries and juicy plums, with flavours of jammy blackcurrants and blackberries on the palate. Medium-bodied and well-balanced with a smooth, lingering finish.
