BACKGROUND INFORMATION

Home to thousands of acres of premium vineyards, the California wine region is renowned for making excellent wines due to its unique micro climate. Located in the Central Valley Delta this area produces ripe grapes which also benefits from cool ocean breezes that help retain fresh fruit aromas and structure. This range consists of bespoke wines specially blended in California by our wine buying team who work closely with a family owned vineyard.

TASTING NOTE

An intense, ruby red coloured wine. Aromas of ripe blueberries and cherries lead into intense currant flavours with a hint of vanilla, toasty oak and a soft, velvety finish.
