Product Information

The rivers of Australia help to irrigate the vineyards. Although water is important; the drier the river the better the concentration of flavours in our wines. We are working in close partnership with a family owned winery, which pride themselves on producing consistent and good quality wines. After harvest our wine buyer travelled to Australia to specially select these wines for this range.

Tasting Notes

Light straw in colour, Dry River Chardonnay displays an enticing nose of peach, citrus and lemon aromas. The tropical fruit flavours and luscious mouth feel mid-palate complement each other to deliver a deliciously rounded wine with a crisp and clean finish, balanced nicely by acidity.
