## Product Information

The rivers of Australia help to irrigate the vineyards. Although water is important; the drier the river the better the concentration of flavours in our wines. We are working in close partnership with a family owned winery, which pride themselves on producing consistent and good quality wines. After harvest our wine buyer travelled to Australia to specially select these wines for this range.

## Tasting Notes

A deep and inky red in colour, Dry River Shiraz displays a nose of smoky rich fruits with a touch of mint. Smooth and rich on the palate with spicy flavours of luscious dark berry fruits, the balanced tannins help to deliver a tremendously concentrated finish.

## Food Match

Serve at room temperature and try partnering with spicy dishes such as Mexican fajitas or Cajun chicken.
