Product Information

Barón de Ley was founded in 1985 by a small group of Rioja wine professionals who wanted to develop a purely “vineyard driven” winery, oriented to the production of high quality wines from their own vineyards. They also wanted to develop and implement a new style of “modern” Rioja wines; wines of deeper colour, structure and concentration, in line with what today’s most discerning consumers are looking for.

Tasting Notes

An evoking nose of our childhood candies, with red strawberries and cherries. In the mouth it shows dry, with a pleasant acidity that gives way to a long layer of red fruit.

Food Match

A lovely match for a summer salad or light pasta dish.
