## **Product Information**

Barón de Ley was founded in 1985 by a small group of Rioja wine professionals who wanted to develop a purely "vineyard driven" winery, oriented to the production of high quality wines from their own vineyards. They also wanted to develop and implement a new style of "modern" Rioja wines; wines of deeper colour, structure and concentration, in line with what today's most discerning consumers are looking for.

## **Tasting Notes**

An evoking nose of our childhood candies, with red strawberries and cherries. In the mouth it shows dry, with a pleasant acidity that gives way to a long layer of red fruit.

#### Food Match

A lovely match for a summer salad or light pasta dish.
