Vintage	2022
ABV	13.5%
Other Varietals Available?	No

Product Information

Vines are grown on clay-limestone rich soils benefitting from the mediterranean climate. At harvest the grapes are destemmed and enter into the fermentation tank where they are pumped over twice a day. Temperature is controlled and vinified at 25 degrees celsius for around 10 days in stainless steel tank. The wine undergoes malolactic conversion. There is some influence from oak chips and 6 months of ageing prior to bottling.

Tasting Notes

A decidedly southern style of wine with a bright garnet hue, a reflection of the sun-drenched terroirs from which it hails. It boasts a seductively smooth structure and notes of lightly caramelized ripe black fruits. The palate is silky smooth with notes of liquorice and vanilla, revealing a good length and melted tannins.

Food Match

Meat and cheese

Wine Style

Red

Wine Suitability

Vegetarian	Yes
Vegan	Yes
Allergens	Sulphites
