# FRANCE ALLIANCE LOIRE

The vineyards of **Alliance Loire** follow the Loire river from Nantes on the Atlantic coast to the Touraine region 1,000 kilometres inland. Alliance Loire is the stellar combination of seven cooperative cellars who decided to join forces in 2002 bringing with them their expertise on crafting expressive wines from their individual AOPs which reflect the diverse terroir, climate and grape varieties planted. We've chosen a Muscadet that has been aged on its lees which adds more complexity and rounded structure on the palate than a regular Muscadet. The Rose d'Anjou that we've also chosen is a great example of rose that has some sweetness to it but great acidity so the perception on taste is not overtly sweet but really soft and refreshing.
